Retransmission Consent Election

Ladies and Gentlemen:

Pursuant to Section 76.64 of the FCC rules, this is to notify you that **KTXA-DT, FORT WORTH/DALLAS TX** ("Station"), assigned to the Dallas/Fort Worth DMA, elects the retransmission consent option with respect to carriage of Station's signal on your cable system whose head-end is located in **Ridgecrest Apartments, Texas** for the 2012-2014 election period.

This will not affect the continued carriage of Station's signals by your system as to any part of the relevant period for which an existing retransmission agreement is already in effect. If there is no such existing agreement beyond December 31, 2011, then it will be necessary for your system to obtain our express approval in order to retransmit **KTXA-DT's** signal after 12:01 AM on January 1, 2012 (or after the expiration date of any existing agreement).

Please be assured that we look forward to continuing satisfactory terms and providing great programming.

Sincerely,

retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter, “program related materials” shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station’s broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that “program related material” shall not include, and Broadcaster shall obtain Operator’s consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Operator shall down convert the 16:9 high definition image by taking the “center cut” to create a 4:3 standard definition or analog image. Please refer to the illustration below.

This letter does not grant Operator retransmission consent to carry the Station’s signal in any high definition or 16:9 format under any circumstances. If you would like to negotiate for consent to carry our signal in both standard definition and high definition format, please contact us at retransconsent@cbs.com.
